

# Growing Train

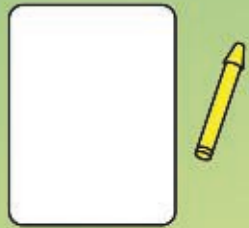

## What You Need

connecting cubes

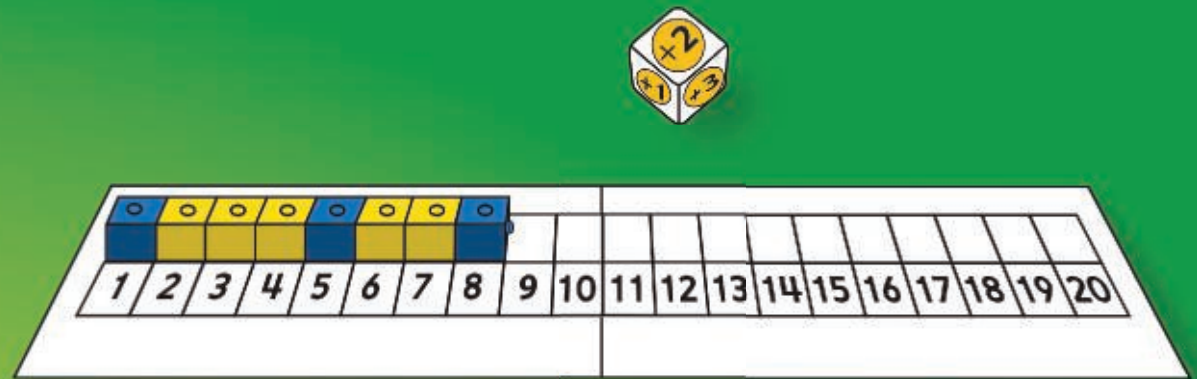

Train Games  
gameboard

slate and writing  
tool (optional)

Growing Train die

## What To Do

Play *Growing Train* alone or with a partner.

- 1 Roll the die.
- 2 Add that number of cubes to your train.
- 3 Describe your turn. *For example:* I had 4 cars. I added 2 cars. Now I have 6 cars.
- 4 Play until you make a train with 20 cars.

## Challenge

Try to write a **number model** ( $4 + 2 = 6$ ) for each turn on a slate.
