Motion Math: Hungry Fish

Mathslide 100

- All apps offered by Starfall and ABCya are on their website for free.
- All word practice (high-frequency, sight, Dolch, Fry etc.) is beneficial. The ultimate goal is to make as many words as possible recognizable by sight. (**decodable**: "sat" and **non-decodable**: "said")

Above are some educational websites and apps to support the learning of your kindergartener. Hopefully your child will find them to be engaging and fun. Attached is an incentive page for those of you who think it will help your child focus and commit to a new routine at home. This is completely optional. A certificate will be presented upon completion. Please let us know if you have any questions or need support navigating these sites/apps.

Have fun!

Mrs. Kennedy and Mrs. Greenhall
